WAR MEMORIAL EXCURSION
On the 24th April (Week 1, term 2) students and staff will be travelling to the War Memorial in Canberra. This is an exciting opportunity for our students as we are able to visit the Memorial on the day before the 100th anniversary of the landing at Gallipoli. A note for this excursion is attached to the newsletter, please return before the end of term.

THE SCHOOL VEGGIE PATCH
The infants class, along with the help of Miss O’Connor are giving the school vegetable patch a facelift. Our plans are to make our garden similar to a market garden, where we are able to produce enough vegetables for parents to purchase. We are starting afresh with a new crop of winter vegetables. If you have any old garden hand tools or packets of seeds you would like to donate to us to help kick off our garden, your help would be greatly appreciated. Our aim is make enough money from vegetables to keep our garden self-sustaining and no cost to the school.

WORM FARM
The students in Infants were kindly donated a worm farm which we will be setting up next week. Bookham Wonder Worm farm will supply us with

Thank you to all the parents who gave up their Sunday last week to help rejuvenate our courtyard area. It looks fantastic and work has only just begun. Over the coming months a raised seating area, a large deciduous tree and hedges surrounding the area will be established.

EASTER TIME!
We will be celebrating Easter on Thursday 4th April (last day of term). Students will be making Easter hats and parading them at assembly. This year to help with all the craft supplies, we ask if each family could donate either cottonwool balls, feathers, pipe cleaners, tin foil and other things that can be used to make our Easter hats great.
