These will be distributed to parents on 22nd June (Monday Week 10). Parents will then be able to request a timeslot to talk to teachers about the report. The infants classes have received their special desks for L3 instruction and also most of their stationery orders. There is still some outstanding furniture including an easel and whiteboard for the 1/2 classroom.

SPORTS NEWS
The students this week continued to build their golfing skills. We tested our skills out on a mini golf course set out over the school oval. It is great to see the students’ skills improving. Most students are now able to aim and then swing at the ball making it move in the general direction they want it to go. Our air swings are very few.

Term 2 Week 7 Thursday 4th June 2015
INFANTS NEWS
In art, over the past couple of weeks we have been taking inspiration from the season of winter. We have been using different media including paper, paint and other materials to make beautiful artworks that show texture and movement.

The infants veggie patch has been going really well and all our winter crops are growing. At the moment we are watching the plants grow and learning the importance of weeding, watering and maintaining our garden so everything grows.

A big thank you to Guy Yates who has donated sugar cane mulch and some fertiliser to make out veggies grow.

Class Teacher

Next week due to a meeting that all staff are required to attend, Sporting Schools will be held on Tuesday 3:00 – 4:30pm.

WHAT’S HAPPENING IN WEEKS 8 AND 9 OF TERM 2.

KINDERGARTEN
Kinder have now finished learning all our alphabet sounds and we are currently revising them in our home learning.

Children have received awards for their home reading for 50, 75 and 100 nights as appropriate.

Congratulations also to our parents for all their efforts.

Each child has 2 small bags of words to learn. The words on white paper are the most commonly used words that we learn by sight and the pink words are taken directly from each child’s reader for them to learn.

Remember parents are invited and very welcome to spend time in the kinder room each morning Tuesday to Thursday.

Many thanks to parents for their ongoing support.
