BULLETIN

Term 2 Week 6 Thursday 28th May 2015

FROM THE PRINCIPAL …

QUADRANGLE

Thanks to some great work by Mr Chown we are now at the stage of being able to proceed with the new garden beds at the school. The trees have all been purchased with the exception of the centre tree, and most plantings should take place this weekend. The new grass, the new garden beds and the other work that has been undertaken in this area has made what was a very bleak space into a great resource for the school and the students.

INSTRUCTIONAL LEADER VISIT

Jenny Hart will visit school tomorrow to work with Miss O’Connor to start the process of making Individualised Education Plans (IEPs) for her students. This work forms part of the Early Action for Success (EAS) program.

Similarly, Miss O’Connor and myself will attend South Wagga Public School on Monday to be provided with professional learning around the Language, Learning and Literacy (L3) program. This will then allow Miss O’Connor to join the same training group as Mrs Morse and Mrs Smith for future professional learning. The next two L3 training days will be 10th June at Binalong and 24th June at Bibbarea.

WEDNESDAY ACTIVITIES

Congratulations to all that were part of the day at school yesterday. Particularly to Miss O’Connor for her organisation of the day. A large amount of money was raised for the Biggest Morning Tea and the Bookfair also raised nearly $900. A great job by everyone (and there were even spare sausages for lunch today!).

BILLYCARTS

Primary will be working on billycarts this afternoon. Mr Robinson will again lend his considerable talents to this program and we hope soon to have at least two working billycarts made almost exclusively from recycled materials.

With my best regards,

Jaemie Bennett
Principal

BINALONG PUBLIC SCHOOL OPEN DAY

A huge thank you to everyone who supported our open day yesterday, it was a great success. We raised $113.50 at our Biggest Morning Tea and over $850 at the book fair. We will now be able to buy nearly $200 for books and resources for our school.

SPORTS NEWS
Binalong Cross Country Carnival
Congratulations to Gilbert for winning the Binalong Cross Country Carnival. Every point counts.

Sporting Schools
We have put in our grant applications to continue Sporting Schools in term 3 and term 4. Fingers crossed we are successful.
The students this week continued to build their golfing skills. We are working on our driving and putting strokes.

Year 1/2 News
Thank you to all the parents and friends who support us at our assembly. The students put a great deal of work into their performance and I am very proud of their achievement.

Next Monday, I will be away in Wagga, at South Wagga Public School. I will be working with the infants teachers to observe L3 in practice in the classroom and build my own skills. Year 1/2 will be working with Mrs Smith and Kinder. I will send home learning home on Tuesday instead of Monday, however the children still need to change their home readers please.

HELP! If you have old magazines, newspapers or catalogues you do not want any more, we would like them to use in our classroom – thank you!

Miss O’Connor
Class Teacher

P&C NEWS
Working Bee
The P&C will be having a working bee this Sunday at 9:30am to work on the new quadrangle. Please bring shovels, barrows and gloves.
P&C Meeting will be next Tuesday 2nd June 6pm at the Binalong Pub all are welcome to attend.

KINDER NEWS
We had so much fun dressing up yesterday, performing our funny song and most of all we enjoyed having our grandparents and parents visit.
Parents are reminded that they are welcome to join us in the classroom each morning on Tuesday, Wednesday and Thursday.

Last Friday Mrs Smith and I had further training in Wagga in the L3 Program. We both came away with lots of wonderful ideas to further support learning in the Kinder room and are looking forward to implementing these.
